## Profile

Sheila is a qualified Nurse, experienced case manager, and spinal cord injury professional. She has over 25 years of experience in caring for individuals affected by trauma and injury who present with complex physical, psychological, and social needs. She has developed an extensive understanding of the lifecycle of a spinal cord injury and has built a successful career in case management.

Sheila is reliable, well-organised and able to adapt to challenges as they arise. She is a confident communicator, experienced in coordinating and managing large multidisciplinary teams ensuring a positive outcome for the client.

She is diligent and thorough in her attention to detail and has developed strong relationships with care and rehabilitation providers.

Sheila has an in-depth understanding of the litigation process and has played an integral part in the rehabilitation of many clients. She has experience in working collaboratively with statutory providers in securing funding for complex support packages.

Her professional, supportive and confident approach allows her to build a rapport quickly and effectively with clients and their families.

Sheila is passionate and committed to supporting clients to achieve their goals.
