Challenging Behaviour,
Pain Management.

Profile

Joyce works with adults and children. She is a dedicated and compassionate case manager with extensive experience supporting clients with brain injuries, spinal cord injuries, and complex physical injuries.

Joyce is a motivated and empathetic case manager and occupational therapist with over 25 years of experience, 5 years of which as a medicolegal expert for care, case management and occupational therapy.

She is highly skilled in the assessment, management and support of adults and children with a diverse range of complex physical needs and associated mental health/psychological trauma as well as challenging behaviours. She is a Best Interests Assessor. She has a wealth of rehabilitative experience and is committed to helping her clients achieve their goals to maximise their recovery and quality of life.

Joyce supports her clients using a tailored, cost-effective, collaborative approach, ensuring that each client's individual and diverse needs are understood and met. She is a strong advocate for her clients and their families and works hard to get to know their values and priorities. She is highly experienced in drawing together effective care and rehabilitation teams to reflect this, delivering positive outcomes.

Joyce has good knowledge and experience when recruiting for and managing 24/7 care teams for clients with complex care needs.

Testimonial

"I just wanted to say thank you for your help over the past 2.5 years. At the start of this I never knew or indeed understood what a mess I was in. Your guidance and knowledge has helped me get the best of what I have left especially with the vestibular problems" – Client
