Neurological Disorder,  
Visual Impairment.

## Profile

Belinda is a Registered Nurse (Adult) with 25 years of wide-ranging experience within the NHS including intensive care nursing at the renowned Royal Brompton & Harefield NHS Trust.

For the past 20 years, Belinda has worked as a full-time case manager with a special interest in amputee rehabilitation, complex orthopaedic trauma, mild to moderate brain injuries and prolonged intensive care and ventilation. Belinda's previous experience includes three years as a clinical lead providing supervision and clinical governance for a large team of case managers and four years as an expert witness providing reports on care and equipment.

Belinda has well established links with all the major private prosthetic providers. She has detailed knowledge and extensive experience in liaising with both private, NHS and statutory services to coordinate a comprehensive programme of rehabilitation for her clients. She is very experienced in coordinating discharge from hospital, implementing and managing multidisciplinary teams, focusing on promoting excellence in communication and ensuring that client's medical, care and rehabilitation needs are met in a timely and cost efficient manner. Belinda has experience in supporting clients with property searches, adaptations and implementing care packages.

She has wide-ranging experience in vocational rehabilitation, returning clients to work in both their pre-injury employment or an alternative job if necessary, liaising directly with employers and occupational health services, ensuring that vocational assessments are instigated at the appropriate time.

Belinda is a knowledgeable, confident, organised and experienced case manager, ensuring that her client's needs are at the heart of everything she does.

## Testimonial

"Belinda is a highly experienced case manager. She is committed to ensuring that her client's needs are met and has a good understanding of the requirement for future planning. She is able to navigate complex issues as they arise and always works with compassion and professionalism. She ensures that I am kept up to date at all stages and has a good understanding of the litigation process. She is excellent at communicating with clients, explaining the process and ensuring they have a full understanding of the recommendations and the MDT's role. She is empathetic to the needs of the client and provides the required level of support to progress their rehabilitation. I would not hesitate to recommend Belinda as a case manager and it is a pleasure to work with her." – *Solicitor*
